

100 Hole Golf Marathon Participant Support

Note from First Tee – Greater Detroit:

Thank you so much for your support of our first 100 Hole Golf Marathon in support of our many programs for youth in and around the Detroit area! Without dedicated individuals like you, our program would not exist.

We continue to expand and improve our programs and initiatives. Since late 2020, we have recruited over seventy new volunteer coaches. We have expanded to many new program locations; Belle Isle, Lakes of Taylor, Rammler Golf Club, Copper Hills, Durfee Innovation Society, and Beech Woods Driving Range. We have trained over twenty coaches as PLAYer level coach. We have three coaches going to Level II training at three different locations across the United States this fall. Again, all of this is not possible without your support!

Thank you for your consideration and impact, it is truly appreciated.
